

The Freelance GP you are seeing today is

Dr Edward Ball

BM BS BMedSci DPD MRCS MRCGP

I qualified from Nottingham University Medical School in 1999 and spent the next 6 years working in hospitals in Hull, London, Salisbury and Australia. I completed my GP training in Winchester in 2007 and was a partner there for 4 years before my family and I relocated to the south coast.

My special interests include skin diseases, heart disease, minor surgery and aesthetic medicine. I also work as a hospital practitioner in the Southampton Dermatology Department.

In my spare time I enjoy water sports, mountain biking, playing the guitar and have recently discovered gardening. However, in reality, my spare time is spent playing with and clearing up after our 2 children.

This appointment is for 10 minutes unless
otherwise arranged
